

VERTIMAG EF

Vertical storage system

- ▶ Ergonomic
- ▶ High-performance
- ▶ Earthquake-resistant
- ▶ Double internal bay with only one height above ground
- ▶ Green

The ergonomic and fast storage system

Vertimag EF, Ergonomic & Fast, represents the ideal combination between performance and operating ergonomics. The range comprises 15 models, each available with four different tray capacities.

Vertimag EF is environmentally-friendly, recovering up to 50% energy. It features a "carousel" system, the exclusive Ferretto Group solution that optimises work flows while always ensuring perfect ergonomics.

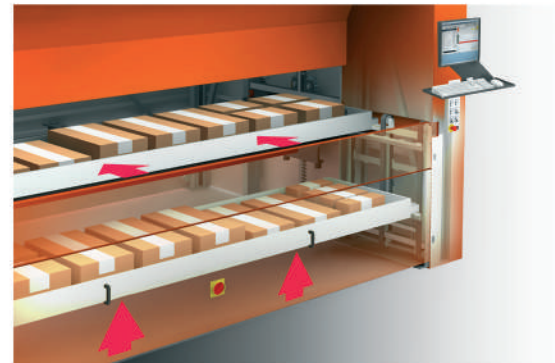

Self-supporting earthquake-resistant structure for outdoor applications

Flexible arrangement, with 25 mm steps

500 mm high sheet metal and polycarbonate panels

PC with 17" touch screen monitor on articulated arm and external USB port

Control by Siemens S7 1200 PLC. Picking bay with tray outlet always at the same height. Maximum of four retrievals

+ Optionals

- ▶ Laser pointer
- ▶ LED bar
- ▶ Barcode reader
- ▶ Pick to light and Put to light
- ▶ Voice picking
- ▶ Printer
